

## NVAL PHOTOGRAPHY SHOW -- FRAMING PROGRAM

NVAL is trying very hard to make it easier and less expensive for artists to exhibit. To that end, NVAL offers a framing program for matted images. The rental cost is \$15 per frame.

After reviewing the framing sizes, please email us ASAP which size you desire – [photoshow@nval.org](mailto:photoshow@nval.org).

If you have any questions about framing or hanging requirements, please contact us - [photoshow@nval.org](mailto:photoshow@nval.org).

- Sales price should be for matted print without frame.
- Work returned to the artist will be without the frame and in the packing material in which it was received.

### GENERAL FRAMING REQUIREMENTS FOR ALL WORK

- All accepted images submitted for exhibition must be printed and framed in a professional manner. Artists doing their own printing and framing must submit work ready to hang. Maximum frame dimension is 40 inches on any side and maximum weight is 12 pounds. NVAL hangs with cable hooks, so please use only frame hangers, D-rings or split rings for your hanging hardware.
- If the framed print does not substantially meet the appearance of the online entry, or if the print quality, matting or framing are not suitable quality for gallery presentation, the NVAL may ask the artist to replace whichever element is not suitable. If the artist is unwilling to meet these standards, the NVAL reserves the right to replace the entry with another work selected by the juror.

### All work should be delivered to:
