

Beginning Watercolor with Mel Jackson

North Valley Art League

At Carter House Gallery, Tuesdays from 5 - 7:00 PM

Starting April 14, 2026, 10 sessions

\$150 per student for all 10 sessions. Sign up and pay in the NVAL Gallery, online at <https://nval.org>, or via the QR code below. Bring your own materials or let Mel provide you with a beginning kit.

Mel is a graduate of California College of the Arts and has taught beginning watercolor classes in the Redding area for many years. Starting with the basic wash, Mel will demonstrate the use of salt, plastic wraps and other materials to create interesting textures and moods. Perspective and the correct use of shadow and composition will be discussed to help make your painting more interesting.

If you don't have materials, please contact Mel (mljackson8@yahoo.com) before the class, and he will provide a basic set up for you the first day. Package will include paint, palette, brushes, paper, and tape. You will have enough material, except for paper, for the entire ten weeks and beyond. Approximate cost for material is \$100.

Above all else, come to have fun!

For more information call NVAL 530-243-1023.
